CHEMICAL-FREE GREEN FLOOR STRIPPING DEMONSTRATION

Come to our facility on WEDNESDAY, AUGUST 4, 2010 from 11am-1pm to witness the newest, greenest and cleanest method for stripping tile and wood floors. This completely dry and dust-free way to strip floors provides significant savings on stripper, seal, finish, and labor, while avoiding the mess and danger associated with stripping floors the conventional way. Check out www.vikingjanitorsupplies.com for a preview!

Carpet Bonnets, Tile & Grout pads and Sand Screens for wood floors are now available!

Demo Highlights:

- New product presentation
- Audience participation
- Hands-on use of machine
- Lunch provided
- Limited to 20 attendees

We are located off of Hollins Ferry Road, a few blocks north of Patapsco Avenue on the south side of Baltimore City
